

CHILD DEVELOPMENT

Elizabeth B. Hurlock

SIXTH EDITION

INTERNATIONAL STUDENT EDITION

CONTENTS

Preface

xiii

1 SCIENTIFIC STUDIES OF CHILD DEVELOPMENT

1

Early Interest in Studying Children

2

Child Psychology versus Child Development

3

Spurs to Studying Children

4

Obstacles to Scientific Studies of Children

6

Overcoming Obstacles to Scientific Studies of Children

11

How Much Headway Have

Scientists Made?

14

Chapter Highlights

15

Bibliography

16

2 PRINCIPLES OF DEVELOPMENT

21

I. Development Involves Change

22

II. Early Development Is More Critical Than Later Development

25

III. Development Is the Product of Maturation and Learning

27

IV. The Developmental Pattern Is Predictable

30

V. The Developmental Pattern Has Predictable Characteristics

32

VI. There Are Individual Differences in Development

34

VII. There Are Periods in the Developmental Pattern

36

VIII. There Are Social Expectations for Every Developmental Period

38

IX. Every Area of Development Has Potential Hazards

40

X. Happiness Varies at Different Periods in Development

40

Chapter Highlights

44

Bibliography

45

3 FOUNDATIONS OF THE DEVELOPMENTAL PATTERN

49

Scientific Interest in Prenatal Development

50

How Life Begins

51

Importance of Fertilization

53

Timetable of Prenatal Development

62

Conditions Affecting Prenatal Development

63

Attitudes of Significant People

63

Hazards during the Prenatal Period

67

Chapter Highlights

74

Bibliography

75

4 EFFECTS OF BIRTH ON DEVELOPMENT

79

Scientific Interest in Birth

80

Adjustments to Postnatal Life

81

How Birth Affects Postnatal Development

82

Influence of Time of Birth on Development

85

Level of Development Present at Birth

86

Hazards Associated with Birth

93

Chapter Highlights

102

Bibliography

103

5 PHYSICAL DEVELOPMENT	107	9 SOCIAL DEVELOPMENT	
Physical Growth Cycles	108	Meaning of Social Development	227
Body Size	110	Social Expectations	228
Body Proportions	113	Importance of Early Social Experiences	230
Bones	116	The Pattern of Social Development	232
Muscles and Fat	116	Beginnings of Social Behavior	234
Teeth	117	Social Development in Early Childhood	235
Development of the Nervous System	118	Social Development in Late Childhood	237
Puberty Changes	118	Social Development at Puberty	240
Hazards in Physical Development	122	Hazards in Social Development	247
Chapter Highlights	132	Chapter Highlights	249
Bibliography	133	Bibliography	252
			253
6 MOTOR DEVELOPMENT	137	10 SOCIAL ADJUSTMENTS	
Principles of Motor Development	138	Meaning of Social Adjustment	259
Sequence of Motor Development	141	Role of Companions in Social Adjustments	260
Motor Skills	143	Shifts in Childhood Companions	262
Some Common Motor Skills of Childhood	146	Social Acceptance	264
Functions of Motor Skills	148	Leaders and Followers	266
Handedness	149	Mobility	271
Hazards in Motor Development	150	Hazards in Social Adjustments	275
Chapter Highlights	156	Chapter Highlights	277
Bibliography	156	Bibliography	283
			284
7 SPEECH DEVELOPMENT	161	11 PLAY DEVELOPMENT	289
Meaning of "Speech"	162	Meaning of Play	290
Speech: A Tool for Communication	162	Contributions of Play	292
Prespeech Forms of Communication	163	Characteristics of Children's Play	293
How Children Learn to Speak	169	Common Play Activities of Childhood	296
Major Tasks in Learning to Speak	172	Active Play	297
Amount of Talking	174	Amusements	302
Content of Speech	176	Play Hazards	311
Hazards in Speech Development	177	Chapter Highlights	316
Chapter Highlights	185	Bibliography	317
Bibliography	186		
8 EMOTIONAL DEVELOPMENT	191	12 DEVELOPMENT OF CREATIVITY	323
Pattern of Emotional Development	192	Meaning of Creativity	324
Conditions Responsible for Emotional Development	194	Values of Creativity	327
Characteristics of Children's Emotions	196	Discovery of Creativity	328
Common Emotional Patterns	197	Development of Creativity	328
Emotional Dominance	208	Persistence of Creativity	331
Emotional Balance	209	Expression of Creativity in Childhood	332
Emotional Control	210	Hazards to Creativity	344
Emotional Catharsis	211	Chapter Highlights	347
Hazards in Emotional Development	213	Bibliography	348
Chapter Highlights	221		
Bibliography	222		

13 DEVELOPMENT OF UNDERSTANDING	353	Learning the Meaning of Sex-Role Stereotypes	464
Importance of Understanding	354	Acceptance of Sex-Role Stereotypes	468
How Understanding Develops	354	Learning to Play Sex Roles	468
Role of Concepts in Understanding	356	Effects of Sex-Role Typing on Behavior	474
How Concepts Develop	357	Hazards in Sex-Role Development	478
Some Common Concepts of Children	361	<i>Chapter Highlights</i>	484
Hazards in Development of Understanding	376	<i>Bibliography</i>	485
<i>Chapter Highlights</i>	379		
<i>Bibliography</i>	380		
14 MORAL DEVELOPMENT	385	17 FAMILY RELATIONSHIPS	491
Meaning of Moral Behavior	386	Changes in the American Family Pattern	492
How Morality is Learned	387	Influence of the Family on Children	494
Pattern of Moral Development	390	Influence of Parental Attitudes on Family Relationships	495
Meaning of "Discipline"	392	Influence of Child-Training Methods on Family Relationships	498
Essentials in Discipline	395	Influence of Family Size on Family Relationships	498
Techniques of Discipline	401	Influence of Sibling Relations on Family Relationships	500
Evaluation of Discipline	405	Influence of Home Setting on Family Relationships	504
Hazards in Moral Development	406	Influence of Broken Homes on Family Relationships	507
<i>Chapter Highlights</i>	413	Influence of Reconstituted Homes on Family Relationships	508
<i>Bibliography</i>	414	Influence of Concepts of Family Roles on Family Relationships	509
		Influence of Preference for One Parent on Family Relationships	511
15 SOME COMMON CHILDHOOD INTERESTS	419	Hazards in Family Relationships	517
Importance of Interests	420	<i>Chapter Highlights</i>	518
Methods of Discovering Children's Interests	422	<i>Bibliography</i>	
How Interests Develop	422		
Interest in the Human Body	424	18 PERSONALITY DEVELOPMENT	523
Interest in Appearance	426	Meaning of Personality	524
Interest in Clothes	428	The Personality Pattern	525
Interest in Names	429	Individuality	528
Interest in Status Symbols	432	Persistence in Personality	530
Interest in Religion	435	Change in Personality	532
Interest in Sex	438	Some Important Personality Determinants	534
Interest in School	440	Level of Adjustment	542
Interest in Future Vocations	444	Hazards in Personality Development	544
Hazards in the Development of Interests	446	<i>Chapter Highlights</i>	553
<i>Chapter Highlights</i>	450	<i>Bibliography</i>	554
<i>Bibliography</i>	451		
SEX-ROLE DEVELOPMENT	455		
Meaning of Sex Roles	456		
Origin of Sex-Role Stereotypes	457		
Causes of Changes in Stereotypes of Sex Roles	460		
Roles	460		
Kinds of Sex Roles	460		
		Index	557
