CHILD *Development*

 Pearson

Robert S. Feldman

Contents

Preface	ix	Review	31
Acknowledgments	xv	The Scientific Method and Research	32
About the Author	xvi	Theories and Hypotheses: Posing Developmental Questions and Choosing a Research Strategy	32
1 An Introduction to Child Development	1	Correlational Studies	34
Prologue: New Conceptions	2	Experiments: Determining Cause and Effect	37
Looking Ahead	2	Developmental Diversity and Your Life: Choosing Research Participants Who Represent the Diversity of Children	40
An Orientation to Child Development	3	Review	41
Characterizing Child Development: The Scope of the Field	4	Research Strategies and Challenges	41
Developmental Diversity: How Culture, Ethnicity, and Race Influence Development	6	Theoretical and Applied Research: Complementary Approaches	41
Cohort Influences on Development: Developing with Others in a Social World	7	From Research to Practice: Using Developmental Research To Improve Public Policy	42
Review	8	Measuring Developmental Change	43
Children: Past, Present, and Future	8	Are You an Informed Consumer of Child Development?: Critically Evaluating Developmental Research	45
Early Views of Children	9	Ethics and Research	45
The 20th Century: Child Development as a Discipline	9	Review	46
Today's Key Issues and Questions: Child Development's Underlying Themes	10	The Case of . . . A Study in Violence	46
The Future of Child Development	12	Epilogue • Looking Back • Key Terms and Concepts	
From Research to Practice: Preventing Violence Toward Children	13	3 The Start of Life: Genetics and Prenatal Development	50
Becoming an Informed Consumer of Child Development: Assessing Information on Child Development	14	Prologue: A Bold Choice	51
Review	14	Looking Ahead	51
The Case of . . . Too Many Choices	15	Earliest Development	52
Epilogue • Looking Back • Key Terms and Concepts		Genes and Chromosomes: The Code of Life	52
2 Theoretical Perspectives and Research	17	The Basics of Genetics: The Mixing and Matching of Traits	55
Prologue: The Unasked Questions	18	Transmission of Genetic Information	55
Looking Ahead	18	The Human Genome and Behavioral Genetics: Cracking the Genetic Code	57
Perspectives on Children	19	Genetic Counseling: Predicting the Future From the Genes of the Present	60
The Psychodynamic Perspective: Focusing on Internal Forces	19	Review	63
The Behavioral Perspective: Focusing on Observable Behavior	22	The Interaction of Heredity and Environment	63
The Cognitive Perspective: Examining the Roots of Understanding	24	The Role of the Environment in Determining the Expression of Genes: From Genotypes to Phenotypes	63
The Contextual Perspective: Taking a Broad Approach to Development	27	Studying Development: How Much Is Nature? How Much Is Nurture?	64
Evolutionary Perspectives: Our Ancestors' Contributions to Behavior	29	From Research to Practice: When Nurture Becomes Nature	65
Why "Which Perspective Is Right?" Is the Wrong Question	30		

The Role of Genetics on Physical Traits, Intelligence, and Personality
Developmental Diversity and Your Life: Cultural Differences in Physical Arousal: Might a Culture's Philosophical Outlook Be Determined by Genetics?
 Psychological Disorders: The Role of Genetics and Environment
 Can Genes Influence the Environment?

Review

Prenatal Growth and Change
 The Stages of the Prenatal Period: The Onset of Development
 Pregnancy Problems
 The Prenatal Environment: Threats to Development
Are You an Informed Consumer of Development?: Optimizing the Prenatal Environment

Review

The Case of . . . The Genetic Roll of the Dice
 Epilogue • Looking Back • Key Terms and Concepts

4 Birth and the Newborn Infant

Prologue: A Belated Gift
Looking Ahead

Birth

Labor: The Process of Birth Begins
Are You an Informed Consumer of Development?: Dealing with Labor

Birth: From Fetus to Neonate

From Research to Practice: To Screen or Not to Screen?

Approaches to Childbirth: Where Medicine and Attitudes Meet

Review

Birth Complications
 Preterm and Postmature Babies
 Cesarean Delivery: Intervening in the Birth Process
 Infant Mortality and Stillbirth: The Tragedy of Premature Death

Developmental Diversity: Overcoming Racial and Cultural Differences in Infant Mortality

Postpartum Depression: Moving From the Heights of Joy to the Depths of Despair

Review

The Competent Newborn
 Meeting the Demands of a New Environment
 Early Learning Capabilities
 Social Competence: Responding to Others

Review

The Case of . . . No Place Like Home?

Epilogue • Looking Back • Key Terms and Concepts

Putting It All Together

5 Physical Development in Infancy

Prologue: First Steps
Looking Ahead

Growth and Stability
 Physical Growth: The Rapid Advances of Infancy
 The Nervous System and Brain: The Foundations of Development
 Integrating the Bodily Systems: The Life Cycles of Infancy
 SIDS: The Unanticipated Killer

Review

Motor Development
 Reflexes: Our Inborn Physical Skills
 Motor Development in Infancy: Landmarks of Physical Achievement
 Developmental Norms: Comparing the Individual to the Group

Developmental Diversity and Your Life: The Cultural Dimensions of Motor Development
 Nutrition in Infancy: Fueling Motor Development

Review

The Development of the Senses
 Visual Perception: Seeing the World
From Research to Practice: Beauty is in the Eye of the Infant

Auditory Perception: The World of Sound
 Smell, Taste, and Feel
 Multimodal Perception: Combining Individual Sensory Inputs

Are You an Informed Consumer of Child Development?: Exercising Your Infant's Body and Senses

Review

The Case of . . . One Step at a Time
 Epilogue • Looking Back • Key Terms and Concepts

6 Cognitive Development in Infancy

Prologue: Baby-Talk

Looking Ahead

Piaget's Approach to Cognitive Development
 Key Elements of Piaget's Theory
 The Sensorimotor Period: Six Substages of Cognitive Development
 Appraising Piaget: Support and Challenges

Review

Information-Processing Approaches to Cognitive Development
 Encoding, Storage, and Retrieval: The Foundations of Information Processing
 Memory During Infancy: They Must Remember This . . .

Individual Differences in Intelligence: Is One Infant Smarter Than Another?	155	How Does Infant Child Care Affect Later Development?	191
Review	158	Are You an Informed Consumer of Development?: Choosing the Right Infant Care Provider	193
The Roots of Language	158	Review	193
The Fundamentals of Language: From Sounds to Symbols	158	The Case of . . . The Different Temperaments	194
The Origins of Language Development	162	Epilogue • Looking Back • Key Terms and Concepts	
From Research to Practice: Infants Learn From Adults, not Videos	164	Putting It All Together	197
Speaking to Children: The Language of Infant-Directed Speech	164		
Developmental Diversity and Your Life: Is Infant-Directed Speech Similar in All Cultures?	165	8 Physical Development in Preschoolers	199
Are You an Informed Consumer of Development?: What can you do to Promote Infants' Cognitive Development?	166	Prologue: The Field Trip	200
Review	167	Looking Ahead	200
The Case of . . . The Unidentified Woggie	167	Physical Growth	201
Epilogue • Looking Back • Key Terms and Concepts		The Growing Body	201
		The Growing Brain	202
7 Social and Personality Development in Infancy	170	Developmental Diversity and Your Life: Are Gender and Culture Related to the Brain's Structure?	203
Prologue: Hidden Gender	171	The Links Between Brain Growth and Cognitive and Sensory Development	204
Looking Ahead	171	Sleep	205
Developing the Roots of Sociability	172	Review	206
Emotions in Infancy	172	Health and Wellness	206
The Development of Self: Do Infants Know Who They Are?	174	Nutrition: Eating the Right Foods	206
From Research to Practice: Are Infants Racist?	175	Illness in the Preschool Years	207
Social Referencing: Feeling What Others Feel	175	Injuries: Playing It Safe	208
Theory of Mind: Infants' Perspectives on the Mental Lives of Others—and Themselves	176	Child Abuse and Psychological Maltreatment: The Grim Side of Family Life	210
Stranger Anxiety and Separation Anxiety	177	From Research to Practice: Spanking: Why the Experts Say "No"	211
Review	178	Resilience: Overcoming the Odds	213
Forming Relationships	178	Are You an Informed Consumer of Development?: Keeping Preschoolers Healthy	214
Attachment: Forming Social Bonds	179	Review	215
The Ainsworth Strange Situation and Patterns of Attachment	179	Motor Development	215
Producing Attachment: The Roles of the Mother and Father	181	Gross and Fine Motor Skills	216
Developmental Diversity and Your Life: Does Attachment Differ Across Cultures?	183	Potty Wars: When—and How—Should Children Be Toilet Trained?	217
Infant Interactions: Developing a Working Relationship	184	Handedness and Expression	218
Review	186	Review	220
Differences Among Infants	186	The Case of . . . Frustrated Desires	220
Personality Development: The Characteristics That Make Infants Unique	186	Epilogue • Looking Back • Key Terms and Concepts	
Temperament: Stabilities in Infant Behavior	187		
Gender: Why Do Boys Wear Blue and Girls Wear Pink?	189	9 Cognitive Development in the Preschool Years	223
Family Life in the 21st Century	191	Prologue: Off to Work We Go	224
		Looking Ahead	224
		Intellectual Development	225
		Piaget's Stage of Preoperational Thinking	225
		Information-Processing Approaches to Cognitive Development	230

Vygotsky's View of Cognitive Development: Taking Culture Into Account	233	Are You an Informed Consumer of Development?: Increasing Moral Behavior and Reducing Aggression in Preschool-Age Children	271
Review	236	Violent TV Programs and Video Games: Are They Harmful?	271
The Growth of Language	236	From Research to Practice: Do Violent Video Games Make Children Behave Violently?	272
Language Development During the Preschool Years	237	Review	272
How Living in Poverty Affects Language Development	238	The Case of . . . The Wrong Role Models?	273
Review	239	Epilogue • Looking Back • Key Terms and Concepts	273
Schooling and Society	239	Putting It All Together	277
Early Childhood Education: Taking the Pre- Out of the Preschool Period	240		
The Effectiveness of Child Care	241	11 Physical Development in Middle Childhood	279
Developmental Diversity and Your Life: Preschools around the World: Why Does the United States Lag Behind?	242	Prologue: Kristy Melanson	280
Preparing Preschoolers for Academic Pursuits: Does Head Start Truly Provide a Head Start?	243	Looking Ahead	280
From Research to Practice: Why It's Good to Read to Young Children	244	The Growing Body	281
Learning From the Media: Television and Computers	245	Physical Development	281
Are You an Informed Consumer of Development?: Promoting Cognitive Development in Preschoolers: From Theory to the Classroom	246	Nutrition: Links to Overall Functioning	282
Review	247	Childhood Obesity	283
The Case of . . . The Secret Reader	247	Are You an Informed Consumer of Development?: Keeping Children Fit	285
Epilogue • Looking Back • Key Terms and Concepts		Health During Middle Childhood	285
		Psychological Disorders	287
10 Social and Personality Development in the Preschool Years	251	Review	287
Prologue: Feeling His Mother's Pain	252	Motor Development and Safety	288
Looking Ahead	252	Motor Skills: Continuing Improvement	288
Forming a Sense of Self	253	Threats to Children's Safety, Offline and Online	290
Psychosocial Development and Self-Concept	253	Review	291
Developmental Diversity and Your Life: Developing Racial and Ethnic Awareness	254	Children With Special Needs	291
Gender Identity: Developing Femaleness and Maleness	255	Sensory Difficulties: Visual, Auditory, and Speech Problems	292
Review	258	From Research to Practice: Breaking the Silence: Good or Bad?	293
Friends and Family: Preschoolers' Social Lives	259	Attention-Deficit/Hyperactivity Disorder	294
The Development of Friendships and Play	259	Developmental Diversity: Mainstreaming and Full Inclusion of Children with Special Needs	295
Preschoolers' Family Lives	263	Review	296
Are You an Informed Consumer of Development?: Disciplining Children	265	The Case of . . . Taking a Breather	296
Review	265	Epilogue • Looking Back • Key Terms and Concepts	
Moral Development and Aggression	266	12 Cognitive Development in Middle Childhood	299
Developing Morality: Following Society's Rights and Wrongs	266	Prologue: Verniqua Turner and Matilda	300
Aggression and Violence in Preschoolers	268	Looking Ahead	300
Social Learning and Cognitive Approaches to Aggression	269	Cognitive and Language Development	301
		Piagetian Approaches to Cognitive Development	301
		Information Processing in Middle Childhood	303

Vygotsky's Approach to Cognitive Development and Classroom Instruction	305	Review	345
Language Development: What Words Mean	305	The Family	345
Bilingualism: Speaking in Many Tongues	307	The Changing Home Environment	345
From Research to Practice: The Benefits of Speaking One's Mind	308	When Both Parents Work Outside the Home: How Do Children Fare?	346
Review	309	Diverse Family Arrangements	347
Schooling: The Three Rs (and More) of Middle Childhood	309	Race, Poverty, and Family Life	350
Schooling Around the World: Who Gets Educated?	309	From Research to Practice: Closing the Digital Divide: Some Unintended Consequences	351
School Readiness, Reading, and Success	311	Group Care: Orphanages in the 21st Century	351
Are You an Informed Consumer of Development?: Creating an Atmosphere that Promotes School Success	311	Review	352
Multicultural Education	314	The Case of . . . Too Rich for Me	353
Developmental Diversity and Your life: Fostering A Bicultural Identity	315	Epilogue • Looking Back • Key Terms and Concepts	
Alternatives to Traditional Public Schooling	316	Putting It All Together	356
Review	317	14 Physical Development in Adolescence	358
Intelligence: Determining Individual Strengths	317	Prologue: The Stranger Down the Hall	359
Intelligence Benchmarks: Differentiating the Intelligent From the Unintelligent	318	Looking Ahead	359
Group Differences in IQ	320	Physical Maturation	360
What IQ Tests Don't Tell: Alternative Conceptions of Intelligence	323	Growth During Adolescence: The Rapid Pace of Physical and Sexual Maturation	360
Falling Below and Above Intelligence Norms	325	Body Image: Reactions to Physical Changes in Adolescence	363
Review	327	Nutrition and Food: Fueling the Growth of Adolescence	365
The Case of . . . The "Big Cheese"	327	Eating Disorders: Anorexia Nervosa and Bulimia	366
Epilogue • Looking Back • Key Terms and Concepts		Brain Development and Thought: Paving the Way for Cognitive Growth	367
13 Social and Personality Development in Middle Childhood	331	Review	369
Prologue: New Kid in Town	332	Stress and Coping	370
Looking Ahead	332	Origins of Stress: Reacting to Life's Challenges	370
The Developing Self	333	From Research to Practice: Bullies and Their Victims: The Lingerin Stress	371
Psychosocial Development and Self-Understanding in Middle Childhood	333	Meeting the Challenge of Stress	372
Self-Esteem: Developing a Positive—or Negative—View of Oneself	336	Are You an Informed Consumer of Development?: Coping With Stress	373
Developmental Diversity and Your Life: Are the Children of Immigrant Families Well Adjusted?	338	Review	374
Review	338	Threats to Adolescents' Well-Being	374
Relationships: Building Friendship in Middle Childhood	339	Illegal Drugs	375
Stages of Friendship: Changing Views of Friends	339	Alcohol: Use and Abuse	
Individual Differences in Friendship: What Makes a Child Popular?	340	Are You an Informed Consumer of Development?: Hooked on Drugs or Alcohol?	377
Gender and Friendships: The Sex Segregation of Middle Childhood	342	Tobacco: The Dangers of Smoking	377
Cross-Race Friendships: Integration in and out of the Classroom	343	Developmental Diversity and Your Life: Selling Death: Pushing Smoking to the Less Advantaged	378
School-Yard—and Cyber-Yard—Bullies	343	Sexually Transmitted Infections	381
Are You an Informed Consumer of Development?: Increasing Children's Social Competence	344	Review	381
		The Case of . . . Moving Too Fast	
		Epilogue • Looking Back • Key Terms and Concepts	

15 Cognitive Development in Adolescence 384

Prologue: Who Is This Person? 385

Looking Ahead 385

Intellectual Development 386

Piaget's Formal Operational Stage and Adolescent Cognitive Development 386

Information-Processing Perspectives: Gradual Transformations in Abilities 389

Egocentrism in Thinking: Adolescents' Self-Absorption 389

Review 390

Moral Development 391

Kohlberg's Approach to Moral Development 391

Gilligan's Approach to Moral Development: Gender and Morality 393

Review 394

Schooling and Cognitive Development 394

The Transition From Elementary School to Middle School 395

Socioeconomic Status, Race, Ethnicity, and School Performance 396

Part-Time Work: Students on the Job 397

From Research to Practice: Does Work Build Character? 399

College: Pursuing Higher Education 399

Developmental Diversity and Your Life: Overcoming Gender and Racial Barriers to Achievement 403

Review 405

Choosing an Occupation 405

Choosing a Career 405

Gender and Career Choices: Women's Work 406

Are You an Informed Consumer of Development?: Choosing a Career 407

Review 408

The Case of . . . The Clueless Dreamer 408

Epilogue • Looking Back • Key Terms and Concepts

16 Social and Personality Development in Adolescence 412

Prologue: Choices 413

Looking Ahead 413

Identity: Asking "Who Am I?" 414

Self-Concept and Self-Esteem 414

Identity Formation: Change or Crisis? 416

Marcia's Approach to Identity Development: Updating Erikson 417

Religion and Spirituality 418

Identity, Race, and Ethnicity 419

Psychological Difficulties in Adolescence 419

Are You an Informed Consumer of Development?: Adolescent Suicide: How to Help

Review 422

Relationships: Family and Friends 422

Family Ties: Changing Relationships 423

Relationships With Peers: The Importance of Belonging 423

Developmental Diversity and Your Life: Race Segregation: The Great Divide of Adolescence 427

Popularity and Peer Pressure in Adolescence 428

Juvenile Delinquency: The Crimes of Adolescence 429

From Research to Practice: R U Friends 4 Real? 431

Are Digital Communications Changing Teenagers' Friendships? 431

Dating, Sexual Behavior, and Teenage Pregnancy 432

Dating: Close Relationships in the 21st Century 432

Review 432

Sexual Relationships 433

Sexual Orientation: Heterosexuality, Homosexuality, and Bisexuality 435

Teenage Pregnancies 436

Review 438

The Case of . . . Too Much of a Good Thing 438

Epilogue • Looking Back • Key Terms and Concepts

Putting It All Together 441

Glossary 443
