

7th Edition

AN INTRODUCTION TO THEORIES OF PERSONALITY

ROBERT B. EWEN

Contents

Preface

xvii

PART I THE PSYCHODYNAMIC PERSPECTIVE

1

CHAPTER 1

INTRODUCTION

Theories of Personality

The Meaning of Personality	3
Theories of Personality	3
Theories and Constructs	4
Dimensions for Comparing Theories of Personality	4
The Pre-Freudian ERA	4
Freud Versus Wundt	6
The Unconscious Before Freud	6
A Suggested Approach to the Study of Personality Theories	7
Summary	8
	9

CHAPTER 2

SIGMUND FREUD

Psychoanalysis

Objectives	11
Biographical Sketch	12
The Basic Nature of Human Beings	12
Instincts and Psychic Energy	14
Psychic Determinism and Parapraxes	14
The Unconscious	15
The Structure of Personality	16
The Id	17
The Ego	17
The Superego	18
The Development of Personality	23
Psychosexual Stages	25
Fixation and Character Typology	25
Regression	27
Further Applications of Psychoanalytic Theory	29
Dream Interpretation	29
Psychopathology	31
Psychotherapy	35
Work	38
Religion	38
Literature	39
Evaluation	40

v

Criticisms and Controversies	40
Empirical Research	43
Contributions	45
Suggested Reading	46
Summary	46
Study Questions	48
Part I. Questions	48
Part II. Comments and Suggestions	49

CHAPTER 3

CARL GUSTAV JUNG

Analytical Psychology

Objectives	53
Biographical Sketch	53
The Basic Nature of Human Beings	54
Instincts and Psychic Energy	55
The Principle of Opposites	56
Teleology	57
The Unconscious	58
The Structure of Personality	58
Consciousness	59
The Personal Unconscious	59
The Collective Unconscious	60
The Development of Personality	60
Individuation and the Self	64
Progression and Regression	64
Character Typology: Functions and Attitudes	65
Further Applications of Analytical Psychology	66
Dream Interpretation	68
Psychopathology	68
Psychotherapy	69
Work	71
Religion	73
Literature and Mythology	73
Alchemy	73
Synchronicity	74
Evaluation	74
Criticisms and Controversies	75
Empirical Research	76
Contributions	76
Suggested Reading	77
Summary	78
Study Questions	78
Part I. Questions	78
Part II. Comments and Suggestions	79

CHAPTER 4

ALFRED ADLER

Individual Psychology

Objectives	83
Biographical Sketch	84

The Basic Nature of Human Beings	85
Social Interest	85
Teleology, Feelings of Inferiority, and Striving for Superiority (Self-Perfection)	86
The Structure of Personality	87
The Development of Personality	87
Pathogenic Factors in Personality Development	89
Birth Order	90
Character Typology: The Style of Life	91
Further Applications of Individual Psychology	93
Dream Interpretation	93
Psychopathology	94
Psychotherapy	96
Work	97
Religion	97
Education	98
Evaluation	98
Criticisms and Controversies	98
Empirical Research	99
Contributions	100
Suggested Reading	101
Summary	102
Study Questions	103
Part I. Questions	103
Part II. Comments and Suggestions	104

CHAPTER 5

KAREN HORNEY

Neurosis and Human Growth

Objectives	107
Biographical Sketch	107
The Basic Nature of Human Beings	108
The Structure and Development of Personality	108
Further Applications of Horneyan Theory	109
Neurosis	109
Psychotherapy	109
Female Sexuality	113
Evaluation	114
Criticisms and Controversies	115
Contributions	115
Suggested Reading	116
Summary	116
Study Questions	117
Part I. Questions	117
Part II. Comments and Suggestions	118

CHAPTER 6

ERICH FROMM

The Escape from Freedom

Objectives	121
Biographical Sketch	122
The Basic Nature of Human Beings	122

Organic Versus Nonorganic Drives: Isolation and Contradiction	
Nonorganic Drives	
The Structure of Personality	
Mechanisms of Defense and Escape	
The Development of Personality	
Character Typology	
Further Applications of Frommian Theory	
Dream Interpretation	
Psychopathology	
Psychotherapy and Social Reform	
Other Applications	
Evaluation	
Criticisms and Controversies	
Contributions	
Suggested Reading	
Summary	
Study Questions	
Part I. Questions	
Part II. Comments and Suggestions	

CHAPTER 7

HARRY STACK SULLIVAN

The Interpersonal Theory of Psychiatry

Objectives	137
Biographical Sketch	138
The Basic Nature of Human Beings	139
The One-Genus Postulate	139
The Need for Others	140
Tension Reduction	141
Dynamisms	141
Modes of Experiencing	142
Teleology	142
The Structure of Personality	143
The Self-System	145
The "Not-Me" Personification	145
Other Defensive Behaviors	145
The Development of Personality	146
Infancy	147
Childhood	148
The Juvenile Era	148
Preadolescence	149
Early Adolescence	149
Late Adolescence	149
Adulthood	149
Further Applications of Sullivanian Theory	150
Psychopathology	152
Psychotherapy	152
Evaluation	153
Criticisms and Controversies	
Contributions	

Suggested Reading	153
Summary	153
Study Questions	155
Part I. Questions	155
Part II. Comments and Suggestions	155
CHAPTER 8	
ERIK ERIKSON	
Ego Psychology	157
Objectives	157
Biographical Sketch	158
The Basic Nature of Human Beings	160
Biological Processes: Libido and Sexuality	160
Ego Processes: Identity and Mastery	160
Society and Culture	161
The Unconscious	162
The Structure of Personality	162
The Id	162
The Ego	162
The Superego	163
The Development of Personality	163
The Epigenetic Psychosexual Stages, or "Eight Ages of Man"	163
Ritualizations	169
Further Applications of Eriksonian Theory	169
Dream Interpretation	169
Psychopathology	170
Psychotherapy	171
Work	173
Religion	173
Literature	173
Psychohistory	174
Evaluation	174
Criticisms and Controversies	174
Empirical Research	175
Contributions	175
Suggested Reading	175
Summary	176
Study Questions	177
Part I. Questions	177
Part II. Comments and Suggestions	178
PART II	
THE HUMANISTIC PERSPECTIVE	181
CHAPTER 9	
CARL R. ROGERS	
Self-Actualization Theory (I)	183
Objectives	184
Biographical Sketch	184

The Basic Nature of Human Beings

Actualization

The Need for Positive Regard

Teleology

The Structure of Personality

Experience and the Organismic Valuing Process

The Self-Concept (Self) and Self-Actualization

Defense

The Development of Personality

The Fully Functioning Person

Further Applications of Rogerian Theory

Psychopathology

Psychotherapy

Education

Rogerian Theory and Empirical Research

Evaluation

Criticisms and Controversies

Empirical Research

Contributions

Suggested Reading

CHAPTER 10

ABRAHAM H. MASLOW

Self-Actualization Theory (II)

Objectives

Biographical Sketch

The Basic Nature of Human Beings

Deficiency and Growth Motives

The Hierarchy of Human Needs

The Unconscious and Teleology

The Structure of Personality

The Development of Personality

The Self-Actualizing (Fully Human) Person

Further Applications of Maslowian Theory

Psychopathology

Psychotherapy

Work

Religion

Education

Maslowian Theory and Empirical Research

Evaluation

Criticisms and Controversies

Empirical Research

Contributions

Study Questions	218
Part I. Questions	218
Part II. Comments and Suggestions	219

CHAPTER 11**ROLLO MAY****Existential Psychology**

Objectives	221
Biographical Sketch	221
The Basic Nature of Human Beings	222
Being-in-the-World (<i>Dasein</i>)	222
Nonbeing and Anxiety	222
Fallibility and Guilt	223
Intentionality and Significance	224
Love	224
The Daimonic	225
The Structure of Personality	227
The Development of Personality	227
Further Applications of Existential Psychology	228
Dream Interpretation	228
Psychopathology	228
Psychotherapy	229
Literature and Art	230
Evaluation	231
Criticisms and Controversies	231
Empirical Research	231
Contributions	232
Suggested Reading	232
Summary	233
Study Questions	233
Part I. Questions	234
Part II. Comments and Suggestions	234
	235

PART III**THE TRAIT PERSPECTIVE**

239

CHAPTER 12**GORDON W. ALLPORT****Trait Theory**

Objectives	241
Biographical Sketch	242
The Basic Nature of Human Beings	242
Instinctual Drives	243
The Functional Autonomy of Adult Motives	243
Values	245
Consciousness and Concreteness	245
The Structure of Personality	246
Common Traits and Personal Dispositions	246
The Proprium	247
Conscience	249

The Development of Personality	249
Criteria of Maturity	249
The Style of Life	249
Further Applications of Allportian Theory	250
Psychopathology, Psychotherapy, Social Reform	250
Religion	250
The Nature of Prejudice	250
Personality Measurement	251
Evaluation	251
Criticisms and Controversies	252
Empirical Research	254
Contributions	254
Suggested Reading	255
Summary	256
Study Questions	256
Part I: Questions	258
Part II: Comments and Suggestions	258
 CHAPTER 13	
RAYMOND B. CATTELL AND OTHERS	
Factor-Analytic Trait Theory	261
Objectives	261
Cattell's Objectives	261
Eysenck's Objectives	262
Objectives of "Big Five" Theory	262
Biographical Sketch	262
The General Logic of Factor Analysis	263
Illustrative Example	263
Methodological Controversies	264
The Basic Nature of Human Beings	264
Dynamic Traits	265
The Structure of Personality	266
Temperament and Ability Traits	266
The Specification Equation	270
The Development of Personality	272
Influences on Personality Development	273
Development of the Structural Source Traits	273
Further Applications of Cattellian Theory	274
Psychopathology and Psychotherapy	274
Work	277
Education	277
Social Psychology	278
Evaluation	278
Criticisms and Controversies	278
Contributions	278
Suggested Reading	279
Other Factor-Analytic Trait Theories	279
Eysenck's Three-Factor Theory	279
"Big Five" (Five-Factor) Theory	280
Evaluation	282

Summary	282
Study Questions	283
Part I. Questions	283
Part II. Comments and Suggestions	283

PART IV THE BEHAVIORIST PERSPECTIVE

287

CHAPTER 14

B. F. SKINNER

Radical Behaviorism

Objectives	289
Biographical Sketch	290
Classical Versus Operant Conditioning	290
Causality and Science	291
Types of Conditioning	291
Beyond Freedom and Dignity	292
Principles of Operant Conditioning	292
The Skinner Box	293
Shaping	293
Schedules of Reinforcement	294
Conditioned Reinforcement (Secondary Reinforcement)	295
Deprivation and Satiation	295
Stimulus and Response Generalization	296
Discrimination	296
Extinction	296
Complicated Sequences of Behavior	299
The Operant Explanation of Concepts Related to Personality Theory	299
Emotion	300
Thinking	300
Punishment	300
Freudian Concepts	301
Traits	301
Intentions and Teleology	302
Further Applications of Skinnerian Psychology	303
Psychopathology	303
Psychotherapy	303
Work	305
Religion	306
Education	306
Literature	308
Social Psychology	308
Verbal Behavior	308
Aging and Memory	308
Evaluation	309
Criticisms and Controversies	309
Contributions	310
Suggested Reading	311
Summary	

Study Questions

Part I. Questions

Part II. Comments and Suggestions

PART V**THE COGNITIVE PERSPECTIVE****CHAPTER 15****GEORGE A. KELLY****The Psychology of Personal Constructs**

Objectives

Biographical Sketch

The Basic Nature of Human Beings

Activity and Anticipation

The Structure of Personality

Personal Constructs

The Development of Personality

Further Applications of Kellyan Theory

Dream Interpretation

Psychopathology

Psychotherapy

Constructive Alternativism and Psychological Research

Evaluation

Criticisms and Controversies

Empirical Research

Contributions

Suggested Reading

Summary

Study Questions

Part I. Questions

Part II. Comments and Suggestions

CHAPTER 16**ALBERT BANDURA****Social-Cognitive Theory**

Objectives

Biographical Sketch

The Basic Nature of Human Beings

Reciprocal Determinism

Cognitive Causes

Reinforcement

The Structure of Personality

Self-Reinforced Behavior

Perceived Self-Efficacy

The Development of Personality

Observational Learning (Modeling)

Further Applications of Banduran Theory

Psychopathology

Psychotherapy

Evaluation	350
Criticisms and Controversies	350
Empirical Research	351
Contributions	351
Suggested Reading	352
Other Concepts in Cognitive Psychology	352
Constructs Dealing with Self-Evaluation and Performance	352
Constructs Dealing With Learning and Perception	353
Constructs Dealing With Problem Solving and Decision Making	354
Evaluation	355
Summary	355
Study Questions	356
Part I. Questions	356
Part II. Comments and Suggestions	357
CHAPTER 17	
CONCLUSION	
Perspectives and Postscript	361
Quotes to Ponder	361
Personal Applications of Personality Theories	362
The Perils of Inflexibility	362
The Perils of Fame	365
The Perils of the Situation	367
Using Personality Theories: Some Illustrative Examples	369
Other Perspectives on Personality	376
The Biological Perspective	376
The Cross-Cultural Perspective	377
Overview and Conclusions	378
The Basic Nature of Human Beings	378
The Structure of Personality	380
The Development of Personality	380
Further Applications of Personality Theory	381
Evaluation	382
Postscript: Some Personal Perspectives	383
Summary	384
APPENDIX	
CASE MATERIAL FOR USE WITH THE STUDY QUESTIONS	387
Glossary of Theorists	391
Glossary of Terms	395
Bibliography	421
Index	439
