Preface xv

## **Chapter 1. BASIC PROCESSES 1**

Internal Influences 4  
External Influences 8  
Interaction Effects 14  
Alternative Theoretical Views 16  
My Theoretical Biases 21  
Summary 23  
Suggested Readings and References 24

## **Chapter 2. METHODS OF STUDY 25**

How Do You Answer All Those Questions Anyway? 25  
How to Obtain Information 26  
Special Problems in Developmental Research 34  
Interpreting Information 37  
A Word on Good and Bad Research 39  
Summary 41

Suggested Readings and References 43

PROJECT 1. Observation of a Child 44

### **Chapter 3. PRENATAL DEVELOPMENT AND BIRTH 46**

Conception and Embryonic Development 46

The Fetal Period 50

The Importance of Sequence 53

Environmental Influences on Prenatal Development 54

Genetic Abnormalities 63

The Birth Process 66

Overview 68

Summary 69

Suggested Readings and References 70

### **Chapter 4. EARLY INFANCY: THE FIRST SIX MONTHS 72**

Description of the Infant 73

Individual Differences Among Babies 83

The Infant's Relationship to the Environment 87

Summary 92

Suggested Readings and References 93

### **Chapter 5. PHYSICAL GROWTH AND DEVELOPMENT 97**

Height and Weight 99

Muscles and Bones 102

Motor Development 102

Growth of the Nervous System 106

Hormones and their Effects 108

Implications and Explanations 111

Some Correlates of Growth Patterns 113

Conclusions 117

Summary 118

Suggested Readings and References 119

### **Chapter 6. PERCEPTUAL GROWTH AND DEVELOPMENT 121**

Perceptual Constancies 123

Attention and Exploration 130

Individual Differences in Perceptual Development 133

Explanations 135

Summary 137

Suggested Readings and References 138

**Chapter 7. LANGUAGE DEVELOPMENT 141**

Before the First Word 142

The First Word 144

The First Sentences 145

Individual Differences 150

The Relationship of Language Development to Other Aspects of Development 152

The Development of Words and Meanings 153

Summary 158

Suggested Readings and References 159

PROJECT 2. Beginning Two-Word Sentences 162

**Chapter 8. THEORIES OF LANGUAGE DEVELOPMENT 163**

Imitation 163

Reinforcement 165

The Child's Contribution 169

Summary 172

Suggested Readings and References 172

PROJECT 3. Conversation Between Mother and Child 174

**Chapter 9. COGNITIVE DEVELOPMENT I: DEVELOPMENT OF THINKING 175**

The Basic Assumptions 177

The Sequence of Development 178

The Effects of Environment on the Development of Thinking 201

Summary 203

Suggested Readings and References 204

PROJECT 4. The Game of Twenty Questions 208

PROJECT 5: Conservation of Number, Mass, and Weight 210

**Chapter 10. COGNITIVE DEVELOPMENT II: MEASUREMENT OF INTELLIGENCE 214**

Some History 215

Some Assumptions 218

Performance Versus Competence 219

What the Tests Predict 220

Factors Influencing IQ Test Scores 221

Summary 234

Suggested Readings and References 235

**Chapter 11. DEVELOPMENT OF INTERPERSONAL  
RELATIONSHIPS 238**

Attachment and Dependency 239

Aggression 250

Peer Relationships 257

Summary 261

Suggested Readings and References 263

PROJECT 6. Television Aggression 266

PROJECT 7. Observation of Dependency and Aggression 266

**Chapter 12. THEORIES OF ATTACHMENT 268**

Ethological Theory 269

Social-Learning Theory 269

Cognitive-Developmental Theory 271

Psychoanalytic Theory 272

Summary 277

Suggested Readings and References 278

**Chapter 13. DEVELOPMENT OF THE SELF-CONCEPT AND SEX-  
ROLE IDENTITY 280**

The Self-Concept 282

Sex-Role Development 287

Overview 294

Summary 295

Suggested Readings and References 296

**Chapter 14. MORAL DEVELOPMENT 298**

Traditional Views 300

Child-Rearing Antecedents of "Moral Behavior" 302

Consistency of Moral Behavior 304

Cognitive-Developmental Analysis 306

Summary 314

Suggested Readings and References 315

PROJECT 8. Moral Judgments 317

**Chapter 15. AGE OVERVIEW 318**

From Birth to 6 Months 319

From 6 Months to Age 2 321

From Age 2 to Age 5 323

|                                   |     |
|-----------------------------------|-----|
| From Age 5 to Age 7               | 325 |
| From Age 7 to Age 12              | 327 |
| Age 12 Years and Over             | 329 |
| Overview                          | 329 |
| Suggested Readings and References | 332 |

## **Chapter 16. EFFECTS OF POVERTY ON CHILDREN 334**

|                                   |     |
|-----------------------------------|-----|
| Characteristics of Poor Children  | 335 |
| Explanations                      | 339 |
| Summary                           | 346 |
| Suggested Readings and References | 347 |

## **Chapter 17. SEX DIFFERENCES 351**

|                                                          |     |
|----------------------------------------------------------|-----|
| Descriptions of Sex Differences                          | 352 |
| Explanations                                             | 356 |
| Synthesis                                                | 363 |
| Summary                                                  | 365 |
| Suggested Readings and References                        | 365 |
| PROJECT 9. Observation of Boys and Girls on a Playground | 368 |

## **Chapter 18. AGING 370**

|                                              |     |
|----------------------------------------------|-----|
| Physical and Physiological Changes           | 372 |
| Changes in Performance Through the Life Span | 374 |
| Individual Differences                       | 378 |
| Summary                                      | 379 |
| Suggested Readings and References            | 379 |

## **Chapter 19. ATYPICAL DEVELOPMENT 382**

|                                   |     |
|-----------------------------------|-----|
| Mentally Atypical Development     | 383 |
| Emotionally Atypical Development  | 387 |
| Physically Atypical Development   | 394 |
| Overview                          | 397 |
| Summary                           | 398 |
| Suggested Readings and References | 399 |
