

INVERTEBRATE ZOOLOGY

SECOND EDITION

Hegner & Engemann

Contents

List of Tables

xiii

Introduction

General References xvii

xv

Chapter I. Phylum Protozoa

1

Superclass Mastigophora 2

Euglena / Other Mastigophora

Superclass Opalinata 23

Superclass Sarcodina 24

Amoeba proteus / Other Sarcodina

Superclass Sporozoa 48

Monocystis / Plasmodium vivax / Other Sporozoa

Superclass Ciliata 61

Tetrahymena pyriformis / Paramecium / Other Ciliata

Protozoa in General 101

References to Literature on the Protozoa 117

vii

VIII CONTENTS

Chapter II. Phylum Porifera

Class Calcarea 122

Leucosolenia / Scypha

Class Demospongiae 129

Spongilla

Other Porifera 132

Calcarea / Hexactinellida / Demospongia

Sponges in General 138

References to Literature on the Porifera 146

121

Chapter III. Phylum Coelenterata

Class Hydrozoa 148

Hydra / Obelia / Gonionemus / Other Hydrozoa

Class Scyphozoa 180

Aurelia / Other Scyphozoa

Class Anthozoa 186

Metridium / Astrangia / Other Anthozoa

Coelenterata in General 197

References to Literature on the Coelenterata 204

148

Chapter IV. Phylum Ctenophora

206

References to Literature on the Ctenophora 211

Chapter V. Phylum Platyhelminthes

212

Class Turbellaria 213

Dugesia / Other Turbellaria

Class Trematoda 224

Opisthorchis sinensis / Other Trematoda

Class Cestoda 238

Taenia / Other Cestoda

Platyhelminthes in General 244

References to Literature on the Platyhelminthes 250

Chapter VI. Phylum Aschelminthes 252

Class Gastrotricha 253
 Chaetonotus / Other Gastrotricha
 Class Rotifera 255
 Epiphanes senta / Other Rotifera
 Class Kinorhyncha 262
 Class Nematoda 263
 Turbatix aceti / Ascaris lumbricoides / Other Nematoda
 Class Nematomorpha 281
 Aschelminthes in General 282
 References to Literature on the Aschelminthes 284

Chapter VII. Minor Phyla 286

Phylum Mesozoa 289
 Phylum Acanthocephala 290
 Phylum Rhynchocoela 293
 Phylum Priapulida 296
 Phylum Entoprocta 297
 Phylum Ectoprocta 298
 Phylactolaemata / Gymnolaemata
 Phylum Brachiopoda 302
 Inarticulate or Ecardines / Testicardines or Articulata
 Phylum Phoronidea 303
 Phylum Sipunculida 304
 Phylum Chaetognatha 305
 Phylum Pogonophora 307
 Phylum Hemichordata 310

x CONTENTS

References to Literature on the Minor Phyla 311

Chapter VIII. Phylum Annelida

313

Class Polychaeta 314

Nereis virens / Other Polychaeta

Class Oligochaeta 325

Lumbricus terrestris / Other Oligochaeta

Class Archiannelida 338

Class Hirudinea 339

Hirudo medicinalis / Other Hirudinea

Class Echiuroidea 345

Annelids in General 346

References to Literature on the Annelida 349

Chapter IX. Phylum Mollusca

350

Class Amphineura 351

Neopilina galathea / Other Amphineura

Class Gastropoda 355

Helix pomatia / Other Gastropoda

Class Scaphopoda 367

Class Cephalopoda 368

Loligo pealii / Other Cephalopoda

Class Pelecypoda 377

Anodonta / Other Pelecypoda

Mollusks in General 390

References to Literature on the Mollusca 393

Chapter X. Phylum Arthropoda

395

Class Crustacea 396

The Crayfish / *Asellus* / Other Crustacea

Class Insecta	437
Class Chilopoda	437
Class Diplopoda	440
Class Pauropoda	441
Class Symphyla	442
Class Onychophora	443
Class Merostomata	446
Class Arachnida	448
The Spider / Other Arachnida	
Class Pycnogonida	461
Class Tardigrada	461
Class Pentastomida	462
Arthropods in General	463
References to Literature on the Arthropoda	468

Chapter XI. Class Insecta

471

Dissosteira carolina	471
Other Insecta	485
Subclass Apterygota / Subclass Exopterygota / Subclass Endopterygota	
Insects in General	535
References to Literature on the Insecta	538

Chapter XII: Phylum Echinodermata

541

Class Asteroidea	542
Asterias / Other Asteroidea	
Class Ophiuroidea	550
Class Echinoidea	553
Arbacia / Other Echinoidea	

xii CONTENTS

Class Holothuroidea 561

Thyone / Other Holothuroidea

Class Crinoidea 565

Fossil Echinoderms 568

Echinoderms in General 569

References to Literature on the Echinodermata 572

Chapter XIII. Phylum Chordata 574

Subphylum Urochordata 574

Ciona intestinalis / Other Urochordata

Subphylum Cephalochordata 577

Chordates in General 578

References to Literature on the Chordata 578

Chapter XIV. Invertebrates—An Overview 579

References 584

Index 589
