CONTENTS

Chapter 1: INTRODUCTION TO PSYCHOLOGY1

Prologue	1
Definition	1
Psychology as a Science of Soul	1
Psychology as a Science of Mind	1
Psychology as a Science of Consciousness	4
Psychology as a Science of Behaviour	5
Comprehensive Definition	6
Goal of Psychology	6
Changing Definition of Psychology	7
CAREERS AND SPECIALIZATION IN PSYCHOLOGY (Fields of Psychology)	9
Clinical and Counselling Psychology	9
Experimental Psychology	10
Developmental Psychology	11
Social Psychology	11
Community Psychology	12
Environmental Psychology	12
School and Educational Psychology	13
Industrial and Organizational Psychology	13
Forensic Psychology	13
Sports Psychology	14
Personality Psychology	14
Health Psychology	14
APPLICATION OF PSYCHOLOGY WITH SPECIAL REFERENCE TO PAKISTAN	14

Chapter 2: HISTORICAL BACKGROUND OF PSYCHOLOGY17

Greek Period and Cosmologists ..	17
Thales.....	17
Anaximander	18
Heraclitus.....	18
Parmenides	18
Pythagoras	18
Empedocles	19
Democritus.....	20
Hippocrates	21
Socrates	22
Plato.....	22
Aristotle	24
MEDIEVAL PERIOD	26
European Period.....	26
Plotinus.....	26
St. Augustine.....	27
Dark Ages	28
MUSLIM PERIOD	28
Ibn-Sina (Avicenna)	28
Al-Kindi.....	30
Al-Farabi	31
Muhammad Ibn Zakariyya Al- Razi.....	32
Ibn-Miskawaih	33
Al-Ghazali	34
Ibn-Bajjah.....	35
Ibn-Rushd	36
RENAISSANCE	37
Rene Descartes.....	38
Sir Frances Bacon	39
British Empiricist	40
Thomas Hobbes	40
John Locke	41
David Hume	42
David Hartley	43

PHYSIOLOGICAL INFLUENCES ON PSYCHOLOGY	44	Kurt Koffka	76
Ernst Heinrich Weber	44	Wolfgang Kohlar	76
Gutav Theodor Fechner	45	Contribution as School of Thought	78
Franz Joseph Gall	45	PSYCHOANALYSIS	79
Pierre Flourens	46	Joseph Breuer	80
paul Broca	46	Charcot	80
Hermann Von Helmholtz	46	Nancy School	80
PSYCHOLOGISTS OF 17TH AND 18TH CENTURY	47	Free Association	80
Charles Bell	47	Dreams	81
Francois Magendie	48	Psychoanalysis as a System of Personality	81
Johannes Muller	48	Contributions of Psychoanalysis	83
DARWIN'S INFLUENCE ON PSYCHOLOGY	48	NEO FREUDIANS	84
Charles Darwin	48	Carl Jung	84
Sir Francis Galton	49	Alfred Adler	85
MODERN PERIOD	50	Karen Horney	85
Wilhelm Maximilian Wundt	50	THE HUMANISTIC PSYCHOLOGY	86
SCHOOLS OF THOUGHT	53	Abraham Maslow	88
STRUCTURALISM	53	Existential Psychology	90
Edward Bradford Titchener	53	Carl Rogers	90
FUNCTIONALISM	56	COGNITIVE PSYCHOLOGY	92
William James	58	George Miller	92
Granville Stanley Hall	60	Jean Piaget	93
John Dewey	60	Ulric Neisser	93
James Rowland Angell	61	EVOLUTIONARY PSYCHOLOGY ...	94
James McKeen Cattell	62	POSITIVE PSYCHOLOGY	95
Harvey A. Carr	63		
Robert Sessions Woodworth	63	Chapter 3: RESEARCH METHODS IN PSYCHOLOGY	97
BEHAVIOURISM	65	Goals of Research	97
John Broadus Watson	65	Methods of Study	98
William McDougall	67	Observation	98
Edward Lee Thorndike	68	Types of Observation	98
NEO BEHAVIOURISM	69	INTROSPECTION	99
Edward Chace Tolman	69	EXTERNAL OBSERVATION	100
Clark Leonard Hull	70	Systematic/Structured Observation	100
Burrhus Frederic Skinner	71	NATURALISTIC OBSERVATION .	102
Albert Bandura	72	Overt Observation	103
Julian Rotter	73	Covert Observation	103
GESTALT SCHOOL	74		
Max Wertheimer	74		

CORRELATIONAL RESEARCH....	105
OBSERVATION WITH INTERVENTION	106
FIELD STUDY METHOD.....	106
Participant Observation	106
Non Participant Observation	107
INTERVIEW METHOD	108
Structured Interview	109
Unstructured Interview	109
Purpose of Interview.....	110
Therapeutic Interview	110
Investigative Interview	110
Assessment Interview.....	110
CASE HISTORY METHOD OR CLINICAL METHOD	111
EXPERIMENTAL METHOD.....	113
Steps of Experimental Method .	113
SURVEY METHOD	118
Characteristics of Survey.....	118
Steps in Survey Method	119
Formulation of Problem.....	119
Population and Sampling.....	120
Tools of Survey	122
Data Collection	123
Interview Schedule.....	124
Data Analysis.....	125
Results	125
DAY BOOK METHOD	127
BIOGRAPHICAL METHOD.....	128
STATISTICAL METHOD.....	129
Methods of Study in a Glance ..	132

Chapter 4: NERVOUS SYSTEM.133

PERIPHERAL NERVOUS SYSTEM	133
Somatic Nervous System	134
The Neuron	134
Structure of Neuron.....	134
Types of Neurons	136
Synapse.....	137
Reflex Arc	138
AUTONOMIC NERVOUS SYSTEM	139

Sympathetic Division	139
Parasympathetic Division	140
CENTRAL NERVOUS SYSTEM....	141
BRAIN.....	141
Fore Brain	141
Mid Brain	149
Hind Brain	149
Pons	149
Medulla	149
Cerebellum.....	150
Reticular Activating System	150
Spinal Cord	151
Functions of Brain	151
ENDOCRINE SYSTEM	153
Pineal Gland	154
Pituitary Gland	154
Thyroid Gland	155
Parathyroid Gland	157
Thymus Gland	157
Adrenal Gland.....	157
Pancreas Gland	158
Gonad Gland	158

Chapter 5: SENSATION.....159

Sensory System	159
Sensory Receptor	160
GENERAL CHARACTERISTIC OF SENSATION	161
Quality.....	161
Intensity	161
Duration	161
Specific Stimulus.....	161
Sensory Threshold.....	161
Sensory Acuity.....	162
VISION	162
Stimulus for Vision	162
Wave Amplitude.....	162
Wave Length	162
Wave Purity.....	163
STRUCTURE OF THE EYE	163
Outermost Layer	164
The Middle Layer, Choroids.....	164

The Retina.....	166
Optic Nerve	168
Optic Chiasma	168
Light and Dark Adaptation.....	169
Sensory Adaptation	169
COLOUR VISION	170
Colour Blindness	171
COLOUR VISION THEORIES.....	171
The Trichromatic Theory of Colour Vision	171
The Opponent Process Theory of Colour Vision.....	172
HEARING	172
The Physical Characteristics of Sound.....	172
Psychological Dimension of Sound.....	173
STRUCTURE OF THE EAR.....	173
Outer Ear	173
Middle Ear	174
Inner Ear	175
Function of Ear	176
Auditory Processing in the Brain	176
Localization of Sound.....	176
CUTANEOUS SENSE.....	177
Touch	177
Temperature.....	178
Pain.....	178
The Somato-Senses.....	179
CHEMICAL SENSES.....	179
TASTE (GUSTATION)	179
SMELL (OLFACTION).....	180
THE KINESTHETIC AND VESTIBULAR SENSES.....	181

Chapter 6: PERCEPTION183

Nature	183
Definition	183
FACTORS OF PERCEPTION.....	184
Perceptual Organization	185
LAWS OF PERCEPTUAL ORGANIZATION	186

Perceptual Constancy	189
Characteristics of Stimulus	190
Subjective Factors.....	192
Social Factors	194
TYPES OF PERCEPTION	194
DEPTH AND DISTANCE PERCEPTION.....	194
Binocular Cues.....	197
Role of Sound Localization in Depth Perception.....	198
Role of Motion in Depth Perception.....	198
Monaural Cues.....	199
Binaural Cues	199
MOTION PERCEPTION	199
Real Movement.....	200
Apparent Movement	200
Factors in Perception of Movement.....	200
TIME PERCEPTION.....	201
Factors Affecting Time Perception.....	201
FORM PERCEPTION.....	202
ILLUSION.....	202
Causes of Illusion	202
Types of Illusion.....	203
Perceptual Problems (Illusion and Hallucination)	208
Hallucination.....	208
Difference between Illusion and Hallucination	208
ATTENTION	209
Condition/Factors of Attention..	210
Objective Conditions.....	210
Subjective Conditions	211
Kinds of Attention	212
Passive Attention	213
Active Attention	213
Secondary Passive Attention ...	213
Fluctuation of Attention.....	213
Distraction of Attention	214

Chapter 7: LEARNING.....	215	Maternal Motive	242
Nature	215	Oxygen Motive	242
Definition	215	Fatigue Reduction	243
Characteristics of Learning	215	Bowl and Bladder Motive	243
Performance	216	SECONDARY MOTIVES	243
TYPES OF LEARNING	217	Social Motives	244
Learning by Observation	217	Psychological Motives	245
Learning by Cognition (Insight)	219	General Motives	247
Learning by Trial and Error	221	INTRINSIC AND EXTRINSIC	
Learning by Conditioning	222	MOTIVATION	253
Classical Conditioning	222	THEORIES OF MOTIVATION	254
Pavlov's Experiment	223	Drive Reduction Theory	255
Operant Conditioning	225	INSTINCT THEORIES	256
Basic Components of Operant		INCENTIVE THEORY OF	
Conditioning	226	MOTIVATION	257
Primary and Secondary		OPTIMAL AROUSAL THEORY	259
Reinforcement	227	OPPONENT PROCESS THEORY..	260
Difference between Operant		COGNITIVE THEORIES	260
and Classical Conditioning	228	Maslow's Theory of Need	
Instrumental Conditioning	229	Hierarchy	261
Difference between		WORK MOTIVATION	263
Instrumental and Operant		Views about Human Nature	263
Conditioning	229	Theory X	263
Transfer of Training	229	Theory Y	263
Distinction between Bilateral		Theories of Work Motivation	264
Transfer and Transfer of		Need Theories.....	264
Training	230	Cognitive Theories.....	264
		Equity Theory	264
Chapter 8: MOTIVATION	231	Expectancy Theory	265
Introduction	231	Job Design and Goal Setting	265
Definition	231		
Homeostasis	232	Chapter 9: EMOTION	267
Factors / Aspects of Motives	233	Definition	267
CLASSIFICATION / TYPES OF		Characteristics of Emotions	267
MOTIVES.....	234	EMOTIONAL CHANGES	269
PRIMARY MOTIVES	235	Physiological Changes in	
Hunger	235	Emotion	269
Thirst.....	238	Role of Autonomic Nervous	
Temperature Regulation.....	239	System in Emotion	269
Sleep Motive.....	240	Role of Adrenal Gland in	
Psychological Patients	240	Emotion	271
Pain Reduction	241	Limbic System	271
Sexual Motive	242	THEORIES OF EMOTION	271

James Lange Theory of Emotion	271	TRANSFER APPROPRIATE PROCESSING MODEL	303
JAMES LANGE THEORIES	272	TWO PROCESS THEORY OF MEMORY	304
Facial Feedback and Emotions..	273	MEASUREMENT OF MEMORY	305
Cannon Bard Theory of Emotion	274	Recall Method	305
The Schachter Singer Theory ...	274	Recognition Method	306
Two Factor Theory.....	275	Relearning Method	306
EXPRESSION OF EMOTION	277	Rearrangement Method.....	307
EXPRESSION OF EMOTION AND PSYCHOLOGICAL WELL BEING	280	CONTRIBUTION OF HERMAN EBBINGHAUS.....	307
NON VERBAL COMMUNICATION OF EMOTIONS	282	CONTRIBUTIONS OF BARTLETT	308
Description about Some Emotions.....	282	MNEMONICS.....	309
Chapter 10: MEMORY.....	285	FORGETTING	313
Definition	285	Reasons of Forgetting	314
MEMORY PROCESS	286	THEORIES OF FORGETTING	315
Encoding	286	Decay Theory	315
Storage.....	287	Interference Theory of Forgetting	316
Retrieval	287	Theory of Motivated Forgetting	318
STAGES OF MEMORY	288	Consolidation Theory	318
Sensory Memory	288	Chapter 11: THINKING	321
Short Term Memory (STM).....	289	Nature	321
Chunks	291	Definition	321
Thinking and STM.....	292	Tools of Thinking.....	322
Long Term Memory	293	Concepts.....	322
Types of Long Term Memory....	296	Imagery.....	327
Declarative or Explicit Memory .	297	Language	327
Episodic Memory	297	Stages of Language Development	328
Semantic Memory	298	Phoneme Stage	328
Non-Declarative or Procedural Memory	298	Morpheme Stage.....	329
Implicit Memory	299	Syntax Stage.....	329
MODELS OF MEMORY.....	300	Learning the Language	329
Levels of Processing Model	300	One-word Stage.....	329
INFORMATION PROCESSING MODEL.....	302	Telegraphic Speech	329
PARALLEL DISTRIBUTION PROCESSING MODEL (PDP MODEL)	303	TYPES OF THINKING.....	330
		Autistic Thinking	330
		Day Dreaming	330
		Free Association.....	330
		Word Association.....	330
		REALISTIC THINKING	331

Reasoning	331	Deviation IQ	356
REASONING CAN BE EITHER		Revision 1972	357
INDUCTIVE OR DEDUCTIVE.	331	Revision 1986	357
Inductive Reasoning	331	Evaluation of Modern Binet	
Deductive Reasoning	332	Scale	369
Problem Solving	333	Wechsler Adult Intelligence	
Stumbling Blocks of Obstacles		Scale (WAIS)	361
in Problem Solving	337	The Verbal Scales	362
Creative Thinking	338	Comprehension	362
Characteristics of Creative		The Performance Scales	363
Individuals	339	Index Scores	364
Decision Making	340	Evaluation of WAIS III	365
Artificial Intelligence	341	Wechsler Intelligence Scale for	
		Children (WISC)	365
Chapter 12: INTELLIGENCE	343	Wechsler Preschool and	
Nature	343	Primary Scale of intelligence	
Definition	343	(WPPSI-R)	365
THEORIES OF INTELLIGENCE...	344	CULTURE FAIR TEST	366
SPEARMAN'S THEORY OF		THE IPAT CULTURE FAIR TEST .	366
INTELLIGENCE	345	GOOD ENOUGH-HARRIS	
THEORY OF PRIMARY MENTAL		DRAWING TEST	366
ABILITIES BY THURSTON	346	GROUP TESTS OF MENTAL	
STRUCTURE OF INTELLECT BY		ABILITIES	367
GUILFORD	347		
MULTIPLE COMPONENT		Chapter 13: PERSONALITY	369
THEORY BY GARDNER	349	Introduction	369
CATTELL'S THEORY OF		Definition	369
INTELLIGENCE	352	THEORIES OF PERSONALITY....	370
STERNBERG'S TRIARCHIC		PSYCHODYNAMIC APPROACH ..	371
THEORY	352	FREUD'S THEORY OF	
MEASUREMENT OF		PERSONALITY	371
INTELLIGENCE	353	Psychic Determinism	371
Historical Background of		Drives and Instincts	372
Intelligence Measurement	354	Life and Death Instincts	372
The First Test	354	Model of the Mind	372
Binet Simon Scale 1905	354	Conflict Model	373
The 1908 Scale	355	Psychopathology of Everyday	
The 1911 Scale	355	Life	373
The 1916 Stanford-Binet		Structure of Personality	373
Intelligence Scale	355	The Id	374
The Intelligence Quotient (IQ) .	355	Ego	375
The 1937 Scale	356	Super Ego	376
The 1960 Stanford Binet			
Revision	356		

Chapter 7: LEARNING	215
Nature	215
Definition	215
Characteristics of Learning	215
Performance	216
TYPES OF LEARNING	217
Learning by Observation	217
Learning by Cognition (Insight)	219
Learning by Trial and Error	221
Learning by Conditioning	222
Classical Conditioning	222
Pavlov's Experiment	223
Operant Conditioning	225
Basic Components of Operant Conditioning	226
Primary and Secondary Reinforcement	227
Difference between Operant and Classical Conditioning	228
Instrumental Conditioning	229
Difference between Instrumental and Operant Conditioning	229
Transfer of Training	229
Distinction between Bilateral Transfer and Transfer of Training	230

Chapter 8: MOTIVATION	231
Introduction	231
Definition	231
Homeostasis	232
Factors / Aspects of Motives	233
CLASSIFICATION / TYPES OF MOTIVES	234
PRIMARY MOTIVES	235
Hunger	235
Thirst	238
Temperature Regulation	239
Sleep Motive	240
Psychological Patients	240
Pain Reduction	241
Sexual Motive	242

Maternal Motive	242
Oxygen Motive	242
Fatigue Reduction	243
Bowl and Bladder Motive	243
SECONDARY MOTIVES	243
Social Motives	244
Psychological Motives	245
General Motives	247
INTRINSIC AND EXTRINSIC MOTIVATION	253
THEORIES OF MOTIVATION	254
Drive Reduction Theory	255
INSTINCT THEORIES	256
INCENTIVE THEORY OF MOTIVATION	257
OPTIMAL AROUSAL THEORY	259
OPPONENT PROCESS THEORY	260
COGNITIVE THEORIES	260
Maslow's Theory of Need Hierarchy	261
WORK MOTIVATION	263
Views about Human Nature	263
Theory X	263
Theory Y	263
Theories of Work Motivation	264
Need Theories	264
Cognitive Theories	264
Equity Theory	264
Expectancy Theory	265
Job Design and Goal Setting	265

Chapter 9: EMOTION	267
Definition	267
Characteristics of Emotions	267
EMOTIONAL CHANGES	269
Physiological Changes in Emotion	269
Role of Autonomic Nervous System in Emotion	269
Role of Adrenal Gland in Emotion	271
Limbic System	271
THEORIES OF EMOTION	271

James Lange Theory of Emotion	271	TRANSFER APPROPRIATE PROCESSING MODEL	303
JAMES LANGE THEORIES	272	TWO PROCESS THEORY OF MEMORY	304
Facial Feedback and Emotions..	273	MEASUREMENT OF MEMORY	305
Cannon Bard Theory of Emotion	274	Recall Method	305
The Schachter Singer Theory ...	274	Recognition Method	306
Two Factor Theory.....	275	Relearning Method	306
EXPRESSION OF EMOTION	277	Rearrangement Method.....	307
EXPRESSION OF EMOTION AND PSYCHOLOGICAL WELL BEING	280	CONTRIBUTION OF HERMAN EBBINGHAUS.....	307
NON VERBAL COMMUNICATION OF EMOTIONS	282	CONTRIBUTIONS OF BARTLETT	308
Description about Some Emotions.....	282	MNEMONICS	309
Chapter 10: MEMORY.....	285	FORGETTING	313
Definition	285	Reasons of Forgetting	314
MEMORY PROCESS	286	THEORIES OF FORGETTING.....	315
Encoding	286	Decay Theory	315
Storage.....	287	Interference Theory of Forgetting	316
Retrieval	287	Theory of Motivated Forgetting	318
STAGES OF MEMORY	288	Consolidation Theory	318
Sensory Memory	288	Chapter 11: THINKING	321
Short Term Memory (STM).....	289	Nature	321
Chunks	291	Definition	321
Thinking and STM.....	292	Tools of Thinking.....	322
Long Term Memory	293	Concepts.....	322
Types of Long Term Memory....	296	Imagery.....	327
Declarative or Explicit Memory .	297	Language	327
Episodic Memory	297	Stages of Language Development	328
Semantic Memory	298	Phoneme Stage	328
Non-Declarative or Procedural Memory	298	Morpheme Stage.....	329
Implicit Memory	299	Syntax Stage.....	329
MODELS OF MEMORY.....	300	Learning the Language	329
Levels of Processing Model	300	One-word Stage.....	329
INFORMATION PROCESSING MODEL.....	302	Telegraphic Speech	329
PARALLEL DISTRIBUTION PROCESSING MODEL (PDP MODEL)	303	TYPES OF THINKING.....	330
		Autistic Thinking	330
		Day Dreaming	330
		Free Association.....	330
		Word Association.....	330
		REALISTIC THINKING	331

Reasoning	331
REASONING CAN BE EITHER INDUCTIVE OR DEDUCTIVE.....	331
Inductive Reasoning	331
Deductive Reasoning	332
Problem Solving	333
Stumbling Blocks of Obstacles in Problem Solving	337
Creative Thinking	338
Characteristics of Creative Individuals	339
Decision Making	340
Artificial Intelligence	341

Chapter 12: INTELLIGENCE343

Nature	343
Definition	343
THEORIES OF INTELLIGENCE....	344
SPEARMAN'S THEORY OF INTELLIGENCE	345
THEORY OF PRIMARY MENTAL ABILITIES BY THURSTON	346
STRUCTURE OF INTELLECT BY GUILFORD.....	347
MULTIPLE COMPONENT THEORY BY GARDNER.....	349
CATTELL'S THEORY OF INTELLIGENCE	352
STERNBERG'S TRIARCHIC THEORY	352
MEASUREMENT OF INTELLIGENCE	353
Historical Background of Intelligence Measurement	354
The First Test	354
Binet Simon Scale 1905	354
The 1908 Scale	355
The 1911 Scale	355
The 1916 Stanford-Binet Intelligence Scale	355
The Intelligence Quotient (IQ) .	355
The 1937 Scale	356
The 1960 Stanford Binet Revision	356

Revision 1972	356
Revision 1986	357
Evaluation of Modern Binet Scale	357
Wechsler Adult Intelligence Scale (WAIS)	369
The Verbal Scales	361
Comprehension	362
The Performance Scales	362
Index Scores	363
Evaluation of WAIS III	364
Wechsler Intelligence Scale for Children (WISC).....	365
Wechsler Preschool and Primary Scale of intelligence (WPPSI-R).....	365
CULTURE FAIR TEST	366
THE IPAT CULTURE FAIR TEST.	366
GOOD ENOUGH-HARRIS DRAWING TEST	366
GROUP TESTS OF MENTAL ABILITIES	367

Chapter 13: PERSONALITY369

Introduction	369
Definition	369
THEORIES OF PERSONALITY....	370
PSYCHODYNAMIC APPROACH ..	371
FREUD'S THEORY OF PERSONALITY	371
Psychic Determinism	371
Drives and Instincts.....	372
Life and Death Instincts	372
Model of the Mind.....	372
Conflict Model	373
Psychopathology of Everyday Life.....	373
Structure of Personality	373
The Id.....	374
Ego	375
Super Ego	376

DEVELOPMENT OF PERSONALITY	377	Galen.....	398
The Oral Stage.....	378	SHELDON'S THEORY OF PERSONALITY	398
Anal Stage	378	TRAIT THEORIES.....	399
The Phallic Stage.....	378	Trait	400
Latency Period	379	GALL'S THEORY	400
Genital Stage.....	379	GORDON ALLPORT'S THEORY ..	400
Anxiety and Conflict.....	379	Cardinal Traits	401
EGO DEFENSE MECHANISM	380	Central Traits.....	401
EVALUATION OF FREUDIAN THEORY	384	Secondary Traits	401
Freud's Contribution to Psychology	385	EYSENCK'S DIMENSIONS OF PERSONALITY	401
CARL JUNG'S ANALYTIC PSYCHOLOGY	386	Introversion-Extroversion.....	401
The Structure of Personality	387	Stability-Instability	402
Libido	387	Psychoticism.....	402
The Ego	388	CATTELL'S TRAIT THEORY	403
The Personal Unconscious	388	Surface Traits	403
Complexes	388	Source Traits	403
The Collective Unconscious.....	388	BIG-FIVE THEORY.....	404
Archetypes	389	MURRAY'S NEED THEORY.....	405
Persona	389	HUMANISTIC APPROACH.....	405
Shadow.....	390	Evaluation of Humanistic Approach	407
The Anima or Animus	390	COGNITIVE BEHAVIOURAL APPROACH	408
The Self	390	Evaluation of Cognitive Behavioural Approach	409
The Attitudes.....	391	SOCIAL LEARNING APPROACH .	410
The Functions	391	MISCHEL'S PERSON SITUATION THEORY	412
Individuation Process.....	392	ROTTER'S EXPECTANCY THEORY	415
Transcendent Function.....	392	NARROW-BAND THEORIES OF PERSONALITY	416
ADLER'S THEORY OF PERSONALITY	393	Type A and Type B Personality .	416
Inferiority Feelings	393	PHENOMENOLOGICAL APPROACH	417
Style of Life	394	THE SELF THEORY OF CARL ROGERS.....	417
The Creative Power of the Self .	394	Actualization.....	420
Social Interest	394	Evaluation of Rogers' Theory ...	421
Fictional Goal.....	394	MEASUREMENT OF PERSONALITY	422
Birth Order.....	395		
Evaluation	395		
DISPOSITIONAL THEORIES	396		
Personality Types	397		
HIPPOCRATES THEORY	397		

SITUATIONAL OBSERVATION...	423	EDWARDS PERSONAL	
INTERVIEW	423	PREFERENCE SCHEDULE	
Types of Interview.....	424	(EPPS)	433
Structured Clinical Interview....	425	Description of the Personality	
Case History Interview	425	Variables.....	433
Diagnostic Interview	425	THORNDIKE DIMENSIONS OF	
Employment Interview	426	TEMPERAMENT.....	436
PERSONALITY TESTS	426	NEO-PI-R (BIG FIVE)	437
Objective Tests	426	PROJECTIVE TESTS	439
SELF REPORT INVENTORIES	426	Types of Projective Tests.....	439
WOODWORTH PERSONAL		THE RORSCHACH INKBLOT	
DATASHEET.....	427	TEST	440
MINNESOTA MULTIPHASIC		THE THEMATIC APPERCEPTION	
PERSONALITY INVENTORY		TEST (TAT).....	443
(MMPI)	427	WORD ASSOCIATION TEST	446
The Re-Standardization		ROTTER'S INCOMPLETE	
MMPI-2	430	SENTENCE BLANK TEST (RISB)	447
CALIFORNIA PERSONALITY		FIGURE DRAWING TEST.....	447
INVENTORY (CPI).....	431	HOUSE TREE PERSON TEST	
SIXTEEN PERSONALITY		(HTP).....	447
FACTORS QUESTIONNAIRE		DRAW A PERSON TEST	448
(16PF)	431	KINETIC FAMILY DRAWING	
		TEST	448
		RATING SCALES.....	448
