

THE ALLYN & BACON COMMUNICATION SCIENCES AND DISORDERS SERIES

SEVENTH EDITION

ARTICULATION  
— AND —  
PHONOLOGICAL  
DISORDERS

*Speech Sound  
Disorders in Children*

JOHN E. BERNTHAL      NICHOLAS W. BANKSON  
PETER F. HENSEN, JR.

# Contents

Preface     vii

**1** Introduction to the Study of Speech Sound Disorders     1  
*by Nicholas W. Bankson, John E. Bernthal, and Peter Flipsen Jr.*

**2** Normal Aspects of Articulation     6  
*by Ray Kent*

    Structure of Language     7  
    Fundamentals of Articulatory Phonetics     11  
    Coarticulation: Interactions among Sounds in Context     42  
    Aerodynamic Considerations in Speech Production     47  
    Acoustic Considerations of Speech     50  
    Sensory Information in Speech Production     51  
    Summary of Levels of Organization of Speech     52  
    Concluding Note on Implications for Speech Acquisition     55  
    Questions for Chapter 2     57

**Speech Sound Acquisition**     58  
*by Sharynne McLeod*

    Relevance of Understanding Typical Speech Sound  
    Acquisition for SLPs     58  
    Models of Speech Acquisition     59  
    How Speech Acquisition Data Are Obtained     71  
    Overall Sequence of Speech Sound Acquisition     77  
    Phase 1: Laying the Foundations for Speech     77  
    Phase 2: Transitioning from Words to Speech     84  
    Phase 3: The Growth of the Inventory     87  
    Phase 4: Mastery of Speech and Literacy     106  
    Factors Influencing Typical Acquisition of Speech     107  
    Conclusion: Understanding and Applying Typical Speech Acquisition     112  
    Questions for Chapter 3     112

- iv**
- 4 Classification and Comorbidity in Speech Sound Disorders 114**  
*by Peter Flipsen Jr., John E. Bernthal, and Nicholas W. Bankson*
- Organically Based Speech Sound Disorders 115  
 Childhood Apraxia of Speech 125  
 Speech Sound Disorders of Unknown Origin 127  
 Summary of Classification 136  
 Comorbidity 136  
 Conclusion 142  
 Questions for Chapter 4 143
- 5 Factors Related to Speech Sound Disorders 144**  
*by Peter Flipsen Jr., Nicholas W. Bankson, and John E. Bernthal*
- Structure and Function of the Speech and Hearing Mechanism 144  
 Motor Abilities 158  
 Cognitive-Linguistic Factors 164  
 Psychosocial Factors 172  
 Conclusion 179  
 Questions for Chapter 5 179
- 6 Speech Sound Assessment Procedures 180**  
*by Nicholas W. Bankson, John E. Bernthal, and Peter Flipsen Jr.*
- Speech Sound Sampling 180  
 Screening for Speech Sound Disorders 181  
 Comprehensive Speech Sound Assessment: The Assessment Battery 184  
 Related Assessment Procedures 201  
 Conclusion 211  
 Questions for Chapter 6 211
- 7 Determining the Need for Intervention and Target Selection 212**  
*by John E. Bernthal, Nicholas W. Bankson, and Peter Flipsen Jr.*
- Case Selection 212  
 Target Speech Sound Selection 228  
 Other Factors to Consider in Case Selection: Intervention Decisions 232  
 Computer-Assisted Phonological Analysis 234  
 Case Study 235  
 Conclusion 240  
 Questions for Chapter 7 241

|          |   |            |
|----------|---|------------|
| <b>8</b> | <b>Remediation Procedures</b>   | <b>242</b> |
|          | <i>by Nicholas W. Bankson, John E. Bernthal, and Peter Flipsen Jr.</i>                        |            |
|          | Basic Considerations  | 242        |
|          | Making Progress in Therapy: Measuring Clinical Change   | 249        |
|          | Facilitation of Generalization  | 254        |
|          | Dismissal from Instruction  | 263        |
|          | Questions for Chapter 8   | 266        |
| <b>9</b> | <b>Motor-Based Treatment Approaches</b>   | <b>267</b> |
|          | <i>by Peter Flipsen Jr., John E. Bernthal, and Nicholas W. Bankson</i>                        |            |
|          | Approaches to Intervention  | 267        |
|          | The Published Evidence  | 268        |
|          | Treatment Continuum   | 270        |
|          | Motor Learning Principles   | 272        |
|          | Teaching Sounds/Establishment   | 273        |
|          | Beyond Individual Sounds  | 283        |
|          | Remediation Guidelines for Motor Approaches   | 294        |
|          | Core Vocabulary Approach  | 294        |
|          | The Use of Nonspeech Oral-Motor Activities  | 296        |
|          | Intervention for Childhood Apraxia of Speech  | 297        |
|          | Case Study Revisited: Motor Perspective   | 303        |
|          | Questions for Chapter 9   | 305        |
|          | <b>Linguistically Based Treatment Approaches</b>  | <b>306</b> |
|          | <i>by Peter Flipsen Jr., Nicholas W. Bankson, and John E. Bernthal</i>                        |            |
|          | Minimal Pair Contrast Therapy   | 307        |
|          | Cycles Approach   | 314        |
|          | Broader-Based Language Approaches   | 317        |
|          | Remediation Guidelines for Linguistically Based Approaches                                    | 322        |
|          | Case Study Revisited: Linguistic Perspective  | 323        |
|          | Questions for Chapter 10  | 325        |
|          | <b>Language and Dialectal Variations</b>  | <b>326</b> |
|          | <i>by Brian A. Goldstein and Aquiles Iglesias</i>   |            |
|          | Dialect   | 326        |
|          | Characteristics of American English Dialects  | 328        |
|          | Phonology in Speakers of Language Varieties Other than English                                | 335        |
|          | Phonological Development in Bilingual Children  | 343        |
|          | Assessment Considerations for Children from Culturally and Linguistically Diverse Populations | 345        |

CONTENTS

Intervention for Speech Sound Disorders in Children from Culturally and Linguistically Diverse Populations 348  
Summary 352  
Questions for Chapter 11 353

**12 Phonological Awareness: Description, Assessment, and Intervention 355**  
*by Laura M. Justice, Gail T. Gillon, Brigid C. McNeill, and C. Melanie Schuele*  
What Is Phonological Awareness? 356  
Phonological Awareness as Literacy Development 357  
The Development of Phonological Awareness 358  
Phonological Awareness Development and Reading 362  
The Role of the Speech-Language Pathologist 364  
Assessment 368  
Intervention 372  
Phonological Awareness Experiences for Preschool Children 376  
Questions for Chapter 12 382
