Acknowledgements

Every writer of a textbook owes a debt to his predecessors, to his teachers, to his colleagues and to his pupils; I gratefully acknowledge my deep indebtedness to all of these. In addition I wish to express particular thanks to Mrs M. Chan of Hong Kong, Miss Afaf M. E. Elmenoufi of Cairo and Dr R. K. Bansal of Hyderabad for very kindly helping me with regard to the pronunciation difficulties of Cantonese, Arabic and Hindi speakers respectively. Last, but far from least, my very sincere thanks go to my friends Pauline Speller, who typed the whole of a by no means easy manuscript and did it admirably, and Dennis Speller, who drew for me the original illustrations.

The responsibility for the book is mine; any credit I happily share with all those mentioned above.
