

Student Solutions Manual and Study Guide
Volume 2
for Serway and Vuille's

Essentials of College Physics

13552

John R. Gordon
Charles Teague

Table of Contents

Preface	v
Suggestions for Study	vii
Part 4 – Electricity and Magnetism	
Chapter 15 – Electric Forces and Electric Fields	1
Chapter 16 – Electrical Energy and Capacitance	21
Chapter 17 – Current and Resistance	43
Chapter 18 – Direct-Current Circuits	59
Chapter 19 – Magnetism	79
Chapter 20 – Induced Voltages and Inductance	101
Chapter 21 – Alternating Current Circuits and Electromagnetic Waves	123
Part 5 – Light and Optics	
Chapter 22 – Reflection and Refraction of Light	145
Chapter 23 – Mirrors and Lenses	163
Chapter 24 – Wave Optics	191
Chapter 25 – Optical Instruments	211
Part 6 – Modern Physics	
Chapter 26 – Relativity	2
Chapter 27 – Quantum Physics	3
Chapter 28 – Atomic Physics	
Chapter 29 – Nuclear Physics	
Chapter 30 – Nuclear Energy and Elementary Particles
