

PRINCIPLES
OF
DEBRATE ZOOLOGY

MAN BOOK HOUSE

CONTENTS

No.	Title	Page
1. PHYLUM PROTOZOA		9 - 87
	Protozoa — Diagnostic Characters	9
★	Protozoa — Brief Classification	10
✓	Paramecium — Type	12
	Paramecium — Morphology	13
	Paramecium — Cytology	15
	Paramecium — Physiology	24
	Paramecium — Reproduction	31
	Protozoa — Skeleton	40
5	Protozoa — Locomotor Organelles and Locomotion	45
6	Protozoa — Nutrition	55
7	protozoa ✕ Excretion and Osmoregulation	56
8	Protozoa — Reproduction	58
9	Protozoa — Economic Importance <i>Parasitism</i>	63
1.10	Protozoa — Polymorphism	66
1.11	Protozoa — Neuromotor system	69
1.12	Protozoa — Plastids	69
1.13	Protozoa — Classification	70
✓ 2. PYYLUM PORIFERA		89 - 130
2.1	Porifera — Diagnostic Characters	89
2.2	★ Porifera — Brief Classification	90
2.3	Scypha — Type	91
	Scypha — Morphology	91
	Scypha — Canal System	93
	Scypha — Histology	95
	Scypha — Physiology	99
	Scypha — Reproduction	102
✓ 2.4	Porifera — Canal system ✓	105
✓ 2.5	Porifera — Skeleton	112
2.6	Porifera — Regeneration and Reproduction	119
2.7	Porifera — Classification	126
✓ 3. PHYLUM COELENTERATA		131 - 162
3.1	Coelenterata — Diagnostic Characters	131
3.2	★ Coelenterata — Brief Classification	132
3.3	Coelenterata — Morphology	133
	Hydrozoan — Polyp	133
	Anthozoan — Polyp	135
✓	Hydrozoan — Medusa	137

	Scyphozoan — Medusa	
	Aurelia — Morphology	
3.4	Coelenterata — Nematocyst	
3.5	Coelenterata — Metagenesis	
3.6	Coelenterata — Polymorphism	
3.7	Coelenterata — Skeleton	
3.8	Coral and Coral Reefs	
3.9	Coelenterata — Classification	
3.A	Phylum — Ctenophora	
3.A.1	Ctenophora — Diagnostic Characters	
	Ctenophora — Affinities	
	4. PHYLUM PLATYHELMINTHES	16

4.1	Platyhelminthes — Diagnostic Characters	
4.2	Platyhelminthes — Brief Classification	
4.3	Fasciola hepatica — Type	
	Fasciola — Morphology	
	Fasciola — Digestive System	
	Fasciola — Excretory System	
	Fasciola — Reproduction	
4.4	Platyhelminthes — Parasitic Modifications	
4.5	Platyhelminthes — Parasitism	
4.6	Platyhelminthes — Economic Importance	
4.7	Platyhelminthes — Classification	
	5. PHYLUM ASCHELMINTHES	203

5.1	Aschelminthes — Diagnostic Characters	
5.2	Aschelminthes — Brief Classification	
	Class — Nematoda	
	Class — Rotifera	
	Class — Gastrotricha	
	Class — Kinorhyncha	
	Class — Nematomorpha	

6. MINOR PHYLA 245 -

6.1	Phylum — Mesozoa	
6.2	Phylum — Acanthocephala	
6.3	Phylum — Rhynchocoela	
6.4	Phylum — Priapulida	
6.5	Phylum — Ectoprocta	
6.6	Phylum — Entoprocta	
6.7	Phylum — Brachiopoda	
6.8	Phylum — Phoronida	
6.9	Phylum — Sipunculida	
6.10	Phylum — Chaetognatha	

Phylum — Pogonophora	264
Phylum — Hemichordata	269 - 320
7. PHYLUM ANNELIDA ✓	269 - 320
Annelida — Diagnostic Characters	269
★ Annelida — Brief Classification	271
Hirudo Medicinalis — Type	271
Hirudo — Morphology	271
Hirudo — Anatomy	274
Hirudo — Digestive System	277
Hirudo — Coelomic System	281
Hirudo — Excretory System	287
Hirudo — Nervous System	289
Hirudo — Reproduction	293
Annelida — Metramerism	297
Annelida — Coelome ✓	298
Annelida — Excretion ✓	299
Polychaeta — Regeneration and autotomy	303
Polychaeta — Reproduction	305
Annelida — Classification	311
8. PHYLUM MOLLUSCA ✓	321 - 387
Mollusca — Diagnostic Characters	321
★ Mollusca — Brief Classification	323
Anodonta — Type	323
Anodonta — Morphology	324
Anodonta — Histology of Shell	326
Anodonta — Respiratory System	330
Anodonta — Digestive System	333
Anodonta — Circulatory System	337
Anodonta — Excretory System	339
Anodonta — Nervous System	340
Anodonta — Reproduction	341
Mollusca — Shell	345
Mollusca — Podium Foot	353
Gastropoda — Torsion	360
Mollusca — Respiration	365
Mollusca — Classification	371
9. PHYLUM ARTHROPODA ✓	388 - 518
Arthropoda — Diagnostic Characters	388
Arthropoda — Brief Classification	389
Cockroach — Type	390
Cockroach — Morphology	394

S. No.

Title

	Cockroach — Digestive System
	Cockroach — Blood Vascular System
	Cockroach — Respiratory System
	Cockroach — Excretion and Osmoregulation
	Cockroach — Nervous System
	Cockroach — Reproductive System
	Cockroach — Life History
9.4	Arthropoda — Appendages
9.5	Arthropoda — Mouthparts
9.6	Insect — Metamorphosis
9.7	Crustacean — Larvae
9.8	Crustacean — Parasitism
9.9	Crustacean — Economic Importance
9.10	Insect — Economic Importance
9.11	Arthropoda — Respiration
9.12	Social Insects
	Honey Bee
	Termites
	The Ants
	Silk Moth
	Mosquitoes
	House Fly
9.13	Arthropoda — Classification
	Crustacea
	Insecta
	Chilopoda
	Onychophora
	Arachnida
	Trilobitomorpha

✓ 10. PHYLUM ECHINODERMATA 519

10.1	Echinodermata — Diagnostic Characters
10.2	Echinodermata — Brief Classification
✓ 10.3	Star Fish — Type
	Star Fish — Morphology
	Star Fish — Anatomy
	Star Fish — Digestive System
	Star Fish — Water-vascular System
	Star Fish — Reproduction
	Star Fish — Life History
	Star Fish — Autotomy and Regeneration
✓ 10.4	Echinodermata — Water-vascular System
✓ 10.5	Echinodermata — Development and Larvae
✓ 10.6	Echinoidea — Aristotle's Lantern
✓ 10.7	Echinodermata — Classification
