

The book cover features a vibrant green fern frond as a background. The title is centered in a dark green rectangular area. The text is in a yellow, sans-serif font. The words 'OUTLINE OF' are in a smaller font size than 'PLANT CLASSIFICATION', which is the largest and most prominent part of the title. The author's name, 'SANDRA HOLMES', is at the bottom in a medium-sized font. Thin horizontal lines separate the different parts of the text.
