

PLANTS

An Introduction to Modern Botany

Victor A. Greulach & J. Edison Adams SECOND EDITION

سینٹ ڈیوڈس کالج برائے خواتین منٹاگ

سینٹ ڈیوڈس

Class No. 591

Author No. 6026

Acc. No. 1418

Estd. Library 1973

Contents

Section I. Man and the World of Plants

- | | |
|----------------------|----|
| 1. Plant Resources | 3 |
| 2. The Plant Kingdom | 27 |

Section II. Levels of Plant Organization

- | | |
|-----------------------|-----|
| 3. Molecules | 83 |
| 4. Cells | 113 |
| 5. Tissues and Organs | 145 |
| 6. Organisms | 205 |
| 7. Communities | 217 |

Section III. Plants in Action

- | | |
|----------------------------------|-----|
| 8. Molecular Traffic | 235 |
| 9. Plants and Water | 255 |
| 10. Plants and Food | 277 |
| 11. Plants and Minerals | 337 |
| 12. Plant Growth and Development | 359 |
| 13. The Physical Environment | 401 |
| 14. The Biological Environment | 423 |

Section IV. From Generation to Generation

15. Asexual Reproduction

16. Sexual Reproduction

17. Heredity

18. History of the Plant Kingdom

19. Origin of Life

457

479

521

565

583

Appendix: Some Basic Chemistry for Botany Students
